

High Touch High Tech® SINGAPORE

Science Experiences That Come To You™

NURSURY & K1 PROGRAMS

Baby Animal Games©	Find out all about animals as we use bean bag babies to discover what makes each animal so special. Learn about animal protection, homes, body coverings and more.
Can You Sense It?©	Learn about our sense of touch, hearing and taste. Find out why food doesn't taste so yummy when you have a cold.
Chemistry Capers©	Have FUN as we make all kinds of chemical reactions. Discover how we can use chemistry to solve mysteries.
Earthscapades©	Learn about our amazing planet. Discover all those natural events that shape our planet. Have FUN as we take a hands-on look at tornadoes, volcanoes and what makes our planet tick.
Edible Science©	Science like you have never seen or tasted.
Eggsperiments©	Discover all the amazing science in a little egg. Learn about chemistry, physics and different forces while we have FUN with eggs!
Exceedingly Cool©	Discover the amazing world of plants. Have fun as we check out all types of amazing seeds. Make seeds travel. Find out what seeds need and take some home to grow.
Fantastic Static©	Get charged as we have FUN with static electricity.
FizzFun©	Have FUN as we learn about molecules. Discover why some things mix and some things don't mix! Learn why molecules are truly mighty.
Food for Thought©	Find out about food. Discover how what we eat turns to energy. Learn about how to make healthy choices.
Germs Make Me Sick©	Learn about those nasty little germs that make us sick. Find out how easily germs can be passed around and how you can keep germs off you!
Have a Heart©	Learn about the most amazing and strongest muscle in your body-your heart! Find out where your heart is located. See and hear your heartbeat.
Magnet Makers©	Discover all the cool properties of magnetism. Learn all the "attractive" facts!
